Alcohol	12.3% By Volume

We produced only 1900 cases of this wine from our 1980 vintage. As in keeping with previous releases of this varietal from Callaway Vineyard there is a very deep and intense color with a viscosity that clings to the glass.

In the aroma there is a hint of freshly ground pepper, characteristic of the Petite Sirah grape. Rich in flavor, the balance between fruit and tannin is such that this wine may be enjoyed with food now or allowed to age for a few more years when it will develop further complexity.

Callaway Vineyard & Winery is located four miles east of the village of Temecula/Rancho California in the south coastal mountains, 23 miles from the Pacific Ocean.

Please visit us and study our ways at this small, modern wine estate. When you do, we believe you will see for yourself that from vine to customer, Callaway wines are among the most carefully nurtured wines in the world.
